## RJ12 connection cable 1m x3

### General characteristics

- Plug & Play.
- Colour coded.
- Multiple lengths.

### Access to resources (ex: manuals)

The RJ12 connections allow you to connect modules very quickly and to automatically configure connected current sensors:

- communication address,
  - load type,
  - sensor type and ratio,
  - automatic rating and verification of current travel direction.
- Wiring errors are also prevented and installation is simplified.

### Technical Characteristics

|                                 |                                                     |
|---------------------------------|-----------------------------------------------------|
| Length of the product unit [mm] | 1000                                                |
| Color                           | Red, Black, Yellow                                  |
| Connector                       | RJ12                                                |
| Length                          | 1 m                                                 |
| Type                            | Connection cable for TE, TR/iTR, TF current sensors |

### Classification

|            |          |
|------------|----------|
| UNSPSC     | 83101808 |
| ETIM Class | EC001262 |
| IGCC       | 6042     |

### Commerce

|                       |            |
|-----------------------|------------|
| Effective date        | 2013-11-22 |
| Offer Life Cycle Code | 40         |
| Country of origin     | TH         |

### ETIM - Mechanical characteristics

|                     |       |
|---------------------|-------|
| Length [m]          | 1     |
| Colour outer sheath | Grey  |
| Anti-kink sleeve    | None  |
| Cable construction  | Other |
| AWG-size            | 26    |
| Cable type          | U/UTP |

### ETIM - Technical features

|                                             |           |
|---------------------------------------------|-----------|
| Category                                    | 5         |
| Type of connector connection 1              | RJ12 6(6) |
| Type of connector connection 2              | RJ12 6(6) |
| Locking lever                               | No        |
| Fire retardant version                      | No        |
| Oil resistant according to EN IEC 60811-404 | Yes       |
| Pin assignment                              | 1:1       |
| NVP value [%]                               | 70        |

### Logistics

|                                 |               |
|---------------------------------|---------------|
| GTIN/EAN                        | 3596032776602 |
| Customs number                  | 8544429090    |
| Price unit                      | PC            |
| Weight of the packing unit [kg] | 0.08          |
| Length of the packing unit [m]  | 0.04          |
| Width of the packing unit [m]   | 0.11          |
| Depth of the packing unit [m]   | 0.16          |

### Norms

Conformity to standards
