

194S0000

Strong points

- Maximum compatibility
- Compact design
- Fast commissioning

General characteristics

- Paired with DIRIS A-30, A-41, A-60, Q800, COUNTIS E4X, COSYS and ATyS C65.

Compliance with standards

- IEC 61326-1
- CE
- UKCA

Access to resources (ex: manuals)

The RAC-1A* integrator converts the raw output signal from the Rogowski sensor into an 1 A output. When paired with the range of RGW flexible current sensors, it is possible to use these RGW sensors with counters or monitoring devices compatible with one or more 1A input(s). The intuitive interface can quickly calibrate the RAC-1A, choosing between 4 different ratings from 100 to 5000 A to take accurate measurements that meet your exact needs.

*Only compatible with the addition of RGW sensors

Classification

UNSPSC	41112112
ETIM Class	EC002478

Commerce

Effective date	2023-05-31
Offer Life Cycle Code	40
Country of origin	IT

Logistics

GTIN/EAN	3596033231032
Customs number	8504312990
Weight of the packing unit [kg]	0,12
